## E. Demonstration booth in the Games Room (for board game publishers) - Hall 6

If you are interested in additional activities in the Games Room space, ie.

- organization of the tournament
- holding an autograph session with game developers
- displaying your games in glass cases
- creating a separate themed area, etc....

feel free to contact us via e-mail [wystawcy@pyrkon.pl](mailto:wystawcy@pyrkon.pl)

Package	1 table + 4 chairs	Time	Price	Number of packages
A demonstration booth in the Games Room		3 days	125 EUR net	

## F. Parking

- **Paid parking space (price 60 EUR net for 3 days)**

Due to limited parking space, only 1 parking space can be purchased per booth. The organizer does not guarantee the availability of parking spaces for all vendor.

Vehicle registration plate number

- **Free entry for the car**

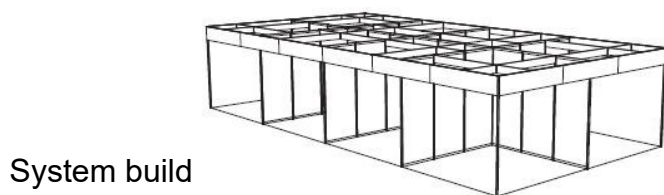

Vendors who do not purchase a paid parking space can receive a free "timed entry pass" for their car to enter the Fairgrounds on Thursday, Friday until 11.30 a.m. and on Sunday after 4 p.m. - allowing for the unloading and loading of goods and booth elements. A car left on the Fairgrounds without a valid entry pass will be towed at the owner's expense

## Clarification on ordering the build:

1. The price per m<sup>2</sup> is for the area itself. The price does not include any build elements.
2. You can use your own equipment or order the necessary items in the form below.
3. If you plan to build a booth only on one side, such as the back of the booth, select the element: "wall". If you plan to build more than one side of the booth, i.e. 2 or 3 sides, you need to choose the element: "system build".

System build

Walls

4. In the case of ordering a wall longer than 3m a so-called brace will be added between the elements with the length of 50cm, which will stabilize the structure.
5. \* Elements such as a 'shelf', 'wall rack', 'frieze inscription', 'large format print on booth wall', 'light point' - can only be ordered together with the wall/system build.
6. To the price of the print, add the cost of the build on which it is to be made (such as a wall, counter, display case, etc.)
7. You can take the printed walls with you after the Convention. You must notify the Organizer if you want to take the walls (they will be dismantled on Sunday after 4 pm by the fair company).
8. In the case of ordering build elements (such as walls, system build, platforms, showcases, etc...) you are obliged to provide the Organizer with a booth design (it can be prepared by hand), no later than on 13.04.2025.
